

Invitation to participate in the 2019 Annual IEP Workshop Student-Mentor Luncheon

Hi IEP Community,

The 2019 IEP Workshop is quickly approaching and will be occurring March 5-7. Like every year, we will be hosting a Mentorship Luncheon! This luncheon is a venue for students and early career scientists to meet with a mentor to get their questions answered by someone established in the industry. Not sure if you should pursue that degree? Want to know what opportunities exist? As the mentee, this is a great opportunity to learn more about career paths, educational paths, and potential fields of interest. As a mentor, here is your chance to share what you know, inspire others, and give back. Do it!

'If you light a lamp for someone else, it also brightens your path.' – Buddhist proverb

Lunch is provided for participants, but space is limited! If you are interested in participating, **please RSVP by January 31, 2019 to reserve your spot!** To RSVP, please fill out the brief questionnaire below to ensure you are properly matched to another participant and email it to Lauren Damon at Lauren.Damon@wildlife.ca.gov. Please limit responses to 1-2 sentences each.

1. Are you a mentor or mentee?
2. What is your educational background?
3. Describe your work experience.
4. What are your short-term goals?
5. What are your long-term goals?
6. Anything else we should consider about you or special requests?
